RE: Take-out Procedures

I would like to remind all residents that the procedure for take-outs remains the same for all meals whether this is seated service or a buffet. When we introduced our Sunday brunch buffet there was no intention of deviating from the established procedures. Due to resident request there was an attempt to allow residents to visit the buffet for take-out meals. This has proven to be an ineffective and disruptive to residents who are dining.

It is for this reason that **effective Sunday, August 4, 2013 there will be no take-outs** during the brunch buffet or any other buffet that is offered in the Lafayette Room as the policy has been.

The buffet menu is published in advance and the same procedure should be followed for these meals as all others. This procedure is outlined in the phone and email directory. Please call 215-855-4317 and select option one by 10:00 am. You may then record your order for pick-up at 11:30 am in the nook.

I would like to thank you in advance for your co-operation in this matter.
