

Bazaar Crafts Information

The Bazaar Crafts group meets on Monday morning to discuss new ideas, have fun and work on items for the Craft Fair and the Annual Bazaar. No talent is necessary, just a desire to sit around the table, talk and come up with new ideas. If you can sew with a large needle and thread or paint simple flat items, it is a plus, but the most important thing is an interest in joining a fun group. Newcomers and new ideas are most welcome!

Brittany Pointe has a showcase in the lower lobby and the arts and crafts group displays their spring wreaths and Easter baskets for sale two weeks before Easter. They also exhibit two weeks in the fall and two weeks before Christmas. Some of the items they produce are seasonal wreaths, baby sets, knitted hats and trendy scarves. Saddle bags that will fit walkers and wheelchairs, and kitchen hand towels with crocheted handles are always available. Card stock and rubber stamps are available for making greeting cards.

Come join the fun!
