

FRIENDS OF WILLOWBROOKE COURT

The “Friends of Willowbrooke Court” is an organization whose members have the common goal of becoming a friend to a specific resident in WillowBrooke Court. It is made up of residents living in the Independent Living apartments. These friends are interested in getting to know and support the resident in WillowBrooke Court. Some of these friends have spent time there or had spouses who were there. All look forward to spending time with the resident visiting, talking, listening, and sharing their friendship.

Residents who have been permanently admitted to WillowBrooke Court are given a brochure explaining “Friends of WillowBrooke Court” and asking if they are interested in having a visit from a member of this group. If the resident agrees, a resident from Independent Living is assigned temporarily. If the relationship is satisfactory, the visits are continued.

If you wish to join “Friends of WillowBrooke Court,” please contact one of the chairpersons.
