

## **Golf Information**

The golfers are dormant from November through March but start up again in the spring. There is a signup sheet on the bulletin board for the kick-off meeting which is held in the latter part of March. The formal season begins around mid-April.

The eighteen-hole group plays every Monday at Mainland Golf Club in Harleysville, PA, and the nine-hole group plays every Thursday at Worcester Golf Club in Collegeville, PA. Right beside the lower lobby door to the courtyard there is a shelf with two boxes and signup sheets on it. Golfers put their name in either the eighteen or nine hole box. The committee then sets up the groups and assigns the starting times. (Starting times at Mainland vary from around 7:30 a.m. to 8:30 a.m., depending on the season, while Worcester times are usually around 10 a.m.)

Each week there is a different contest for the "Golfer of the Week" and the winner has the trophy set outside his or her door for the next week. The season formally ends in latter October with a closing banquet in the Versailles Room and the presentation of the "Golfer of the Year Award."

If you have an interest, please come out; all are welcome, men and women, high and low handicappers.
