

Home Delivery of Groceries Peapod by Giant Food Stores

Giant Food Stores has a home delivery service called "Peapod" that delivers to Brittany Pointe Estates.

The driver brings your purchases right into the apartment, places the refrigerated items on the kitchen counter and the groceries nearby. Residents at Brittany Pointe who use this service report that the delivery persons are extremely courteous and helpful. Comparable shoppers say the prices are about the same in stores. Of course you must have a computer to use this service and a credit card.

Go to "peapod.com" to create a user name (your email address) and a password. You can then browse the aisles as you would in a grocery store. Giant records the history of your orders so that in the future it is very easy to order.

The minimum order is \$60 for which there is a charge of \$9.95. However, if your order is over \$100 the delivery charge is only \$7.95. If gasoline goes over \$3.00 a gallon, there may be a small fuel charge. There are many specials every week and often there is free delivery to new customers. Giant will accept coupons; just give them to the driver in a sealed envelope and it will be subtracted from your bill.

You also must select a delivery time and date. Often you must place your order on a Monday to get Thursday delivery. However, you can keep adding or changing your order until 24 hours before delivery time.
