

Ukulele “Hummin’ and Strummin’” Information

Ukulele “Hummin’ and Strummin’” began in late spring, 2012. Anyone with a soprano ukulele is invited to join in the fun. We welcome beginners and can give them a loaner ukulele to try. No musical knowledge is necessary; you do not have to read music or carry a tune; you only have to have the ability to keep a beat and want to have fun. Anyone can join at any time; members are more than willing to help you and they say this group makes them happy!

The hummers and strummers have played at several events at Brittany Pointe. Come join the fun.
