

Hummin' and Strummin' (Ukulele) Information

Hummin' and Strummin' is the name of a group of ukulele players who bring music to WillowBrooke Court and the Independent Living community. Join us to learn to play this very simple stringed instrument. We have loaner instruments you can try before you decide whether you like ukuleles enough to stay with us; then you can buy one for yourself (available for about \$40-\$80). None of our members played ukuleles before. It is not necessary to read music. Come and have fun. We meet once a week, on Wednesdays at 1:30, by the fountain. We play in WillowBrooke once a month and in the Lower Lobby after dinner once a month. Contact Dick Greenhaus or Susan Friedman for more information.
