Re: Executive Chef

I would like to share with you some changes within our culinary team here at Brittany Pointe Estates. It is with regret that our new Chef, Corey Wood, is unable to continue his employment due to some personal health issues. I want to take this opportunity to wish him well and thank him for his service to the community.

I am pleased to announce that our Sous Chef, Zachary Wahrhaftig, has accepted a promotion to the position of Executive Chef. Zach has worked as the Sous Chef at Brittany Pointe for over three years. Zach has proven to be extremely dedicated to Brittany Pointe. As the Sous Chef he served as the relief Chef to the Executive Chef for three years. Most recently Zach served as the head Chef for four months while we conducted a search for an Executive Chef.

Zach is a graduate of the Art Institute of Philadelphia and has held a variety of positions within the Restaurant Industry prior to accepting the position of Sous Chef at Brittany Pointe.

Zach is no stranger to the ACTS family beginning his career in the Culinary Department at Gwynedd Estates as a server during his high school years. When Zach is not working he enjoys cooking at home and spending time with family and friends. Please join me in congratulating Zach on his new position.
