It is with great pleasure that I announce that Kelly Slentz has accepted the position as the Director of Culinary and Nutrition Services here at Brittany Pointe Estates.

Kelly has been a part of the ACTS family since 1997 and has worked in various communities in a number of positions over the years. From 2005 to 2010 she served as the Nutrition Services Manager at Granite Farms Estates where her primary focus was meeting the nutritional and culinary needs of the residents in WillowBrooke Court and Oak Bridge Terrace. In 2010 Kelly was promoted to the Assistant Director of Culinary and Nutrition Services at Fort Washington Estates where she assisted the Culinary Director in the overall operation of the entire department. In 2011 she was promoted to the Director of Culinary and Nutrition Services at Gwynedd Estates. In her 5 years of service to Gwynedd, Kelly has made tremendous progress in improving resident satisfaction.

Kelly obtained her Bachelor's degree in Nutrition from LaSalle University in 2005 and is currently in the process of obtaining her MBA in Healthcare Administration from Eastern University.

Kelly grew up in Glenside PA and currently lives in North Wales, PA with her two daughters, Julia and Gracie. She enjoys vacationing in Maine every year with her family.

I am confident that Kelly will be a great addition to the leadership team here at Brittany Pointe Estates. Please join me in welcoming Kelly to her new position.
