NOVEMBER 2016

The New Neighbors Program

Earn \$1,500 for every friend who moves in!

Help keep your community strong, vibrant—and filled with your favorite people. Imagine your friends also lived here so you could share the Acts lifestyle together. It's easy to do with our resident referral program. Just encourage friends who have not yet contacted the community to come experience our remarkable lifestyle firsthand.

For every person you refer, we'll enter you into a quarterly drawing to win an iPad.

If your friends move into an Acts community they will receive \$1,500 off of the entrance fee and you will receive a check for \$1,500.

Only friends who have not contacted the community previously are eligible.

My friends would love living here. Please contact them.

Provide your friend's information below.
Then bring this card to your
Life Care Consultant.
