Re: Resident Services Director– Brittany Pointe Estates

Date: August 20, 2015

It is with great pleasure that I announce to you that Teresa Alburger has accepted the position as the new Resident Services Director at Brittany Pointe Estates.

Terry joined the Brittany Pointe team in 2004 serving our Fitness Instructor. In this role, she coordinated the fitness and wellness program; working with the residents of Independent Living, Oak Bridge Terrace and WillowBrooke Court. Terry has always proven to go over and above what is covered in her job duties. For this, she was awarded the ACTS President's award in 2008.

As we all know, Terry has always brought positive energy and enthusiasm to our community. She will be welcomed addition to the leadership team.

Terry resides in Perkasio PA with her husband Dave, her two cats, Cleo and Bebe, and her dog, Rumor.

Terry will begin her new role in the community effective August 29, 2015. Please join me in congratulating Terry on her promotion.
