BPE Pointer Article

## **Veterans' Corner** **by Bob Berger**

This morning, June 26, 2018, I had the privilege to show our Wall of Honor to three people from the Meadowood Retirement Community. They were: Susan Hughes, assistant to the president; Gene Coughlin, Chairman of the Veterans' Committee; and Bill Bourne, Co-Chair, Veterans' Committee. Our visitors wanted to see the Wall of Honor and be provided a history of how it became what it is today. They had first called Normandy to ask for assistance, but they told them to call Brittany Pointe. Meadowood is working on collecting all their veterans' data and pictures. There were a lot of war stories and questions this morning. I hope their visit was useful. It is wonderful to find other communities that also wish to honor their veterans. Closing here with an excerpt from Lee Greenwood's song, God Bless the USA, "And I won't forget the men who died that gave that right to me." Here at Brittany Pointe we are so very proud of our men and women who served in or supported the Armed Services: Yesterday, Today and Tomorrow.
