BPE Pointer Article

Veterans' Corner

by Bob Berger

Periodically, your Veterans' Affairs Committee members will submit articles, to the Pointer that are timely and relevant to our veterans. This article explains how veterans can save money if you like to order items online. Any veteran can place orders with an Exchange once they have been approved. Getting this approval is simple. Just log-on to www.vetverify.org and fill out the form on the screen. Since November 2017, more than 380,000 veterans have verified their eligibility. Online sales are placed through the Army & Air Force Exchange @ www.shopmyexchange.com . Funds raised by the Exchange are used to help support Morale, Welfare and Recreation programs benefiting military families. This is a great program all around and you only need to have served in an Armed Service (including the Coast Guard). Just another way to keep serving thus who serve.
