Veterans' Corner by Bob Berger

Thanks to Rick Izard, Co-Chairman, Veterans Affairs Committee, for his outstanding efforts in coordinating interviews with our veterans during the last week in May.

Six veterans were interviewed by the Springside Chestnut Hill Academy. This project is headed by Chip Sheppard, chairman of the Veterans Monument Foundation of Whitemarsh*. These interviews will be edited and submitted to the Library of Congress' Veterans History Project (VHP). Interviews have also been conducted at The Hill at Whitemarsh, and the Masonic Hall in Lafayette Hill in Philly.

The team leader of the students was senior Sean Edling.

BPE Veterans interviewed included: Nick Charles, Jerry Grover, Jerry Heebner, Harold Hunter, Rick Izard and Bob Miller. We hope that when these interviews are offered again, many more of our veterans will volunteer to participate. Next time we arrange for these important histories to be captured, please consider volunteering.

An article describing this project can be viewed at
