Incoming Mail Delivery

A. Letters and small packages (medicine, etc.) from USPS

Each building in Independent Living has a floor with both an In-House Delivery and USPS Delivery. In Aspen and Birch, it is the second floor, in Chestnut, it is the first floor. The mail boxes for In-House mail are open and have your apartment number on them. The mail boxes from the USPS are locked and have your apartment number on them and a key that you received when you entered. On the same floor is a large "Outgoing Mailbox for you to mail letters. U.S. Postal Mail is usually delivered in the afternoon.

B. Packages

Large packages from USPS, UPS and other delivery services are delivered to the front office and stored in the package room. Most are delivered by volunteer residents to your apartment door. If you do not want packages delivered to your apartment, notify the front office and they will hold them for you.
