Re: Director of Culinary and Nutrition Services - Brittany Pointe Estates

Date: June 11, 2019

---

It is with great pleasure that I announce that Lori Shore has accepted the position as the Director of Culinary and Nutrition Services here at Brittany Pointe Estates.

Lori has over 30 years of experience in the management of dining services in various health care settings. This is inclusive of skilled nursing facilities, rehab centers, continuing care retirement communities and acute care hospitals. Lori also has experience managing “multiple sites serving as an Area Manager and/or a Regional Operations Manager for two different organizations”. Most recently, Lori served as the Senior General Manager of Dining Services where she was responsible for overseeing the dining operation of a 250-bed acute care hospital, and a 325-unit CCRC.

Lori obtained her Bachelor of Science degree from Penn State University in Food Service Management. She is also a Certified Dietary Manager and has training in Culinary Arts.

Lori was born and raised in Philadelphia and for the past 22 years has resided in Bucks County. She proudly refers to herself as a “Navy Wife” being married to her husband Scott for the past 19 years. Lori has a 23-year old step daughter, Sarah, who currently serves as a “Seabee” in the Navy. Lori enjoys baking and cooking and has an interest in home decorating and design. She also enjoys spending time with her three dogs Jersi, Misti and Sunni. (note her last name is Shore). Lori’s first day at Brittany will be June 24, 2019.

I am confident that Lori will be a great addition to the leadership team here at Brittany Pointe Estates. Please join me in welcoming Lori to her new position.
