

Ping Pong

Ping Pong (aka Table Tennis) is enjoyed by men and women, champions and beginners, in the game room Monday through Saturday at 1:00 p.m., except for Wednesday, when the time is 10:00 a.m. We play for about an hour on two tables (no waiting), both singles and doubles. Join us for fun and exercise, and get tips from County and State Senior Games Champions to improve your game. All levels of ability are represented, so you will find compatible partners and opponents whatever your experience.
