

## **Bazaar Crafts Information**

The Bazaar Crafts group meets on Monday morning to discuss new ideas, have fun and work on items for the Craft Fair and the Annual Bazaar. No talent is necessary, just a desire to sit around the table, talk and come up with new ideas. If you can sew with a large needle and thread or paint simple flat items, it is a plus, but the most important thing is an interest in joining a fun group. Newcomers and new ideas are most welcome!

The Bazaar Crafts Group has a showcase in the lower lobby where they display seasonal gifts all year long. Some of the items they produce are: wreaths, baby sets, knitted hats and trendy scarves. Saddle bags that will fit walkers and wheelchairs as well as kitchen hand towels with crocheted handles are always available.

Come join the fun!
