

Furniture Gallery Information

The Furniture Gallery is a vital component of the Annual Bazaar for the Brittany Pointe Estates Residents Association. Normally, the Furniture Gallery is open every weekday from 10:00 a.m. till 3:30 p.m.; however, an attendant is only on duty from 2:00 till 3:30 p.m. The volunteer staff picks up donations from residents and sells furniture of all types, lamps, desks, occasional pieces (even antiques) to residents, their friends and family, staff, and friends of BPE who may also be on the waiting list.

The chairman and his assistant are responsible for pickup and delivery of furniture as well as arranging the showroom; another assistant handles the monthly volunteer schedule. The committee has over 20 regular resident volunteers and six substitutes but others are always welcome. They serve from 2:00 till 3:30 p.m. approximately once a month.
