

Sunday Brunch Procedure

Effective **April 19, 2021**

Lori Shore, Culinary Services Director

For delivery call 215-855-4317, option 2. Please call before 10:00am on Sunday morning.

Take-out service will be available from 11:30am and 12:00pm. Please swipe your card at the Lafayette Room host stand. Omelets and pancakes will be ordered at this time. You will then enter the Bistro through the dining room to select the rest of your meal and accompaniments, and pick up your pancakes/omelets.

Sit down, dine-in service will be available from **12:15** to 1:30 pm. No reservations are required for brunch. Dining will take place in the Lafayette Room, with overflow leading into the Bistro fireplace area. (This is not inclusive of the flex space, at the present time). Upon arrival, you will check in at the Lafayette host stand and swipe your card. You will pre-order your omelets and pancakes at the host stand, and then be assigned a table. After you are seated, a server will introduce themselves, pour water, and take drink and dessert orders. You will then enter the Bistro where you will be able to pick up your omelet or pancakes, and enjoy the other accompaniments. Our salad bar, carving stations, smoked salmon, danish and pastries will also be available.

We ask that you only take as much as you can eat in one sitting, as takeout containers will not be available for those who dine in.

Thanks and enjoy!
