

Culinary Announcement

Our takeout session has dramatically increased. We are back in the 80s and 90s for number of takeout servings per day. Sunday we were close to 100.

We will need to change dining hours to accommodate the shift in dining.

New Hours Effective Wednesday, May 25th

Takeout will be from 3:30 pm-4:15 pm.

Building order will be Aspen 3:30 pm-3:45 pm, Birch (3:45 pm-4:00 pm), Chestnut (4:00 pm-4:15 pm). The building order will change on Mondays, as it did in the past.

BOTH dining venues will open for dine-in at 4:45 pm, and last seating will be 6:30 pm.

Sundays there will be a takeout session from 11:30 am to 12:15 pm (same building order), and dine-in from 12:30 pm to 1:45 pm.

That should make it easier to remember.

Exception to this Schedule: Thursday 5/26

On the 26th of May, the residents will be having their second show.

We need to offer buffet in the main dining room, and open earlier for service in the Dining Room and Bistro.

Takeout will open at 3:30 pm and end at 4:00 pm.

Buffet in the main dining room will open at 4:15 pm and close at 6:15 pm.

The Bistro will open for service at 4:30 pm and close at 6:15 pm.
